Assistant Cheesemaker Wanted!

The Mystic Cheese Company is a cheese producer based out of Groton, CT. Our goal is to make the best cheese we can everyday! Mystic Cheese is hiring a part time employee to learn the Science and Art of Cheese Making.

Primary duties include:

- Following protocols for cheese quality and food safety
- Learning the ancient craft of cheesemaking
- Following documented procedures and documenting your work
- Cleaning and scrubbing, our days are 75% cleaning and 25% cheese making
- Keeping the production areas looking clean, beautiful, and tidy at all times
- Packing cheese orders for our restaurant, catering, and wholesale accounts
- Working in our state of art cheese cave

Hours:

3-4 Days a week with flexible hours. 2 Saturdays a month is required. Overtime available.

Compensation:

Salary for cheesemaking hours is \$20/hr. Eligibility for a raise after 6 months.

Experience & Skill Requirements:

- Experience with food handling (required)
- Detail- and process-oriented
- Good communication skills
- Self-motivated, asks questions, seeks information, shares concerns & problem solves
- Responsible, reliable, and a great communicator
- Enjoys working with others and knows the importance of fostering an excellent working environment through teamwork.
- Clean and efficient work habits
- Good time management and organizational skills
- Ability to be on your feet for up to 8 hours. Machine Operation skills are a huge plus. Lifting 50 lbs. repeatably on a daily basis. Ok working in cool damp and hot humid conditions for extended periods of time
